Oshkosh

July 28-29, 2007
Dayton Air Show

August 11, 2007
Kevin's Hangar Picnic, HAO

AS THE PROP TURNS...

LAST MEETING...

Thursday, July 5, 2007

Meeting was called to order by Commander Todd Winemiller and the Pledge of Allegiance was said. No June minutes were read as the adjutant was not at that meeting.

No new members or guests were present.

Committee reports were short and brief, as several people were on vacation. Todd Winemiller did report on the Young Eagles Flight Rally. It was very successful, with 84 young people taken up in the various planes. He extends his thanks to all who helped and participated.

Jim Stitt had information about the upcoming Dayton Air show. Area EAA chapters will be given four free passes if someone from their chapter will arrive in a warbird for the show. Talk to Jim if you think you can fill that request.

At this point, a cell phone call was received from Nathan Dalrimple, saying the B25 would be flying over Lunken Airport fairly soon, so Warbirds left the meeting room to regroup in front of the airfield to finish the meeting, while awaiting a glimpse of the B25.

Todd finished up with a listing of upcoming aviation events.

Just before the meeting was adjourned, Jim Stitt offered to open his hangar at Lunken to let our group get up close and personal with his T28.

Meeting was adjourned, with most everyone heading down to Jim,s hangar.

LUNKEN AIRPORT DAYS

Friday the weather did not cooperate and only 3 of the schools showed up. However, Saturday the weather was perfect and the public attendance was much higher than years past. We served 1500 hot dogs and ran out! The ramp was full of aircraft on static display, and new airplane and helicopter rides were a big success. Next year's event will probably be Saturday & Sunday.

USO SHOW

This year's USO Show to honor veterans at Coney on Memorial Day weekend was a huge success. The crowd was estimated at over 600, the weather was ideal, and we honored many deserving veterans. The Tom Daugherty Orchestra and CincySwing.com dancers were outstanding as usual, and we raised more money towards the simulator project for the Tri State Warbird Museum. Based on the kudos as folks were leaving, everyone had a great time.

AS THE PROPP TURNS...

YOUNG EAGLES

This year's USO Show to honor veterans at Coney on Memorial Day weekend was a huge success. The crowd was estimated at over 600, the weather was ideal, and we honored many deserving veterans. The Tom Daugherty Orchestra and CincySwing.com dancers were outstanding as usual, and we raised more money towards the simulator project for the Tri State Warbird Museum. Based on the kudos as folks were leaving, everyone had a great time.

WPAFB TATOO

To celebrate the 60th anniversary of the Air Force, Wright Patterson AFB held a Tatoo event on June 29th on the grounds of the National Museum. The event included flybys of vintage aircraft, which included member Jim Stitt's T-28, and current military aircraft. The Air Force band entertained a crowd estimated at 60,000, and the finale was a spectacular fireworks display.

OSHKOSH

The next major event involving our members will be AirVenture at Oshkosh. Todd, Winemiller, Doug Auxier, and Jim Stitt will be participating in the warbird air show, and the Trojan Horsemen will make their debut performance. Several other members are planning to fly or drive up. If you are interested in going and need information, contact Kevin Gassert and check out www.eaa.org.

GCRC SHOW AND HANGAR PICNIC

The Greater Cincinnati Remote Control Club will hold their show at Hamilton airport August 11 & 12 flying lots of unique RC planes. Members of the CWB have been asked to participate with static display of their planes. Also, Kevin Gassert will host his annual hangar picnic on Saturday the 11th during this event since the Wings weekend has been cancelled. Please bring a dish to share.

B-17 RIDES AND DISPLAY

The Cincinnati Warbirds will host the EAA's B-17 Aluminum Overcast at Lunken Airport September 6-10, 2007. We will be offering rides and static display. We need lots of volunteers to staff the event, including the PX sales, ramp security, etc. Please attend the next meeting to sign up. The two members selling the most rides will get a free ride on the outbound flight. Contact Jim Stitt for details.

2007 CALENDAR OF EVENTS
